APRIL 2015

Hi All,

Welcome to the April Edition of The Adlib!

We are trying out a couple of new templates for The Adlib so please do let us know what you think!

So what's showing over the next couple of months?

Act 1: CLUBNIGHT IS FUN NIGHT!

Join us this Friday 17th April for a members' evening with Tony Murray – 7.30pm at the Club House.

"Tony Murray is a former Chairman of the Society who in recent years has become well-known for presenting interesting and entertaining talks at UCT Summer School and similar events. His presentations usually centre around the history of his profession, civil engineering, and take the form of a slide show with commentary. On this occasion he will be combining his professional knowledge with his interest in the theatre to tell the story of Fanny Kemble, "Miss Posh Spice of 1830", who became involved in two of the great construction projects of the time."
